

We will have a short presentation about the monarch life cycle, what they eat, where they live, and how we tag and track their long migration! Then we will send you on a hunt to see if you can catch and tag your own wild monarch. **Cost is \$2.00 per participant.** Saturday September 16, 2017 at 1 PM - 3 PM

Event will be held at LCCC 2652 Hwy 61 Montrose IA
