Please note we will meet at the Heron Bend Office

We have a shorter agenda but still some discussion to be had regarding the progress on the building repair.

The one action item on the agenda is to replace our petty cash which just needs to be recorded officially from the minutes. We will also revisit the cell phone information to see if there is enough information for us to make a decision.

Otherwise I'll update you on the process/progress of the repairs to the current building. And we can continue to discuss the possibilities with the other alternatives.

Let me know if you have questions. See you Tuesday.
