. . . to acquire, develop, maintain and provide the public access to, a variety of areas that will meet the conservation, recreation and wildlife needs for the general well-being of those people while providing development and conservation of natural resources and improving citizenship through programs of education and recreation.

May 21, 2014

To; Board Members  
From: Tom Buckley

**Please note we will meet at the Heron Bend Office**

With the information I've gathered from several places for a temporary office location I thought it would be best to make a decision on this and start to move forward with this part of the process anyway.

I'll fill everyone in tomorrow, but I'll say the Insurance adjuster has been less than agreeable to work with thus far. Again I'll fill you in more on that tomorrow.

Also I've invited John Hansen to be at the meeting to update us on the process with the office repair.

Let me know if you have questions. See you tomorrow.
